Welcome to Freedom Divers!

Your partner for diving courses from beginner to professional. We would look forward to welcome you in Safaga, right at the Red Sea in the heart of Egypt! The Freedom Divers are located close to the "Toubia"-hotel in Safaga, is working since 01.02.2007 under german-egyptian management. We offer you a few unforgettable diving experiences. All known dive sites of Safaga as Salem Express, Panorama Reef and Shaab Sheer are within reach. You will live in one of the mentioned hotels.

Our offer includes 5-day tours by boat or jeep/bus or diving from our beautiful beach, each with 2 dives per day. A combination can be collected from you individually. Boat tours start right outside the hotel on the beach or the marina. So do **not** carry any equipment and not getting up early to get to the boats. You will be accompanied by us on each tour!

We offer you cheap and comfortable holiday, an alternative to mass diving tourism, aided by a selection of individual diver-hotels directly in our area. We still will be the gathering of divers, non-divers and dive-centre staff thing, where you can speak about the day or only chillin in the common barbecue or on the beach.

Welcome to the land of the Pharaohs and in a fantastic underwater world!

Always good air - Moumen, Ahmed and team!
